Language Proficiency
Most of the courses at RUB are taught in German. There are courses in English that are published in our International Course Catalogue. Students should have a good knowledge of German, at least a B1/B2 level for courses taught in German.

Language courses
During the term, exchange students have the chance to attend language courses free of charge:
German: www.daf.ruhr-uni-bochum.de/sbgk/index.html.en
Others: www.zfa.ruhr-uni-bochum.de/sprachen/index.html.en

Credit System
Courses at RUB are credited with credit points (CP). 1 CP is equal to 1 ECTS.

Grading System
RUB uses the German grades from 1-5 (1 = very good, 5 = fail). There are some faculties using percentages (0-100%).

Master’s Thesis / Project
For students who intend on completing a project or a Master’s thesis, it is important to establish contact with a supervisor at RUB.
before arrival. The International Office can help find a supervisor.
In order to contact the right department, we need to know which
subject the project will be carried out in.

Tuition Fees
There are no tuition fees, however, each student must pay a semester
contribution fee (approx. €320 per semester) which includes
a travel ticket for public transport.

Accommodation
The International Office offers a special service for exchange students from partner universities.
Students can apply for accommodation for the duration of their exchange (1-2 semesters). Since
the International Office can only reserve a limited number of rooms for exchange students, early
registration and flexibility is useful. Information on the accommodation application can be found
here: http://international.rub.de/gaststudis/accommodation/index.html.en

Arrival and Enrolment
Enrolment
The exact date and time for exchange students’ enrolment at RUB
will be announced by email shortly before semester starts.

Pick-up Service
The student group ‘Erasmus Student Network’ (ESN) offers a pick-
up service for new exchange students at the beginning of each semester. Information about the pick-up service will be sent with the booking confirmation of accommodation.

Orientation Course
Every semester we offer an Orientation Course for exchange
students including a language course and social activities. The
course starts before the lecture period officially begins (mid-
September). The price for the course is about €300 and there is a
limited number of places. Exchange students, who are eligible, will
receive an invitation via email.

Orientation Days
At the beginning of each semester, Orientation Days are held for
international students. Here they get the chance to meet other students and receive important information. Exchange students will be informed about this offer via email.

Visa Requirements and Residence Permits
Citizens of the European Union do not need a visa for Germany. Citizens from other countries
need to check with the Federal Foreign Office to see whether or not a visa is required. Incoming
students are responsible for obtaining a visa if needed. Information can be found at:

In order to apply for a visa or an extension after arrival, the student has to bring proof of finances.

Health Insurance
European students with the “European Health Insurance Card” do not need to take out health
insurance in Germany. Students from Turkey can bring the form “T/A 11” acquired at their own
health insurance company. Students from non-European countries can register for German student
health insurance, which generally costs approx. €90 per month.

Bank Account
We recommend that students open a German bank account to make payments of rent and the
semester contribution fee easy. A bank account for students is usually free of charge.
