The courses at RUB are credited with credit points (CP). 1 CP is equal to 1 ECTS.

RUB uses the German grades from 1-5 (1 = very good, 5 = fail). There are some faculties using percentages (0-100%).

Master’s Thesis / Project
For students who intend on doing project work or a Master’s thesis at RUB, it is important to establish contact with a supervisor at RUB before arrival. The International Office can help find a supervisor. In order to contact the right department, we need to know which subject the project will be carried out in.

Visa Requirements and Residence Permits

Citizens of the European Union do not need a visa for Germany. Citizens from other countries need to check with the Federal Foreign Office to see whether they need a visa or not. The incoming student is responsible for obtaining the visa. Information can be found at:

http://www.auswaertiges-amt.de/DE/EinreiseUndAufenthalt/Visabestimmungen_node.html

In order to apply for a visa after arrival, the student has to bring proof of finances.

After arrival, each student who is staying for more than 3 months has to register at the City of Bochum.

Health Insurance

Students from European countries who have the “European Health Insurance Card” do not need to take out health insurance in Germany. Students from Turkey can bring the form “TA 11” from their own health insurance company. Students from outside Europe can register for German student health insurance that costs approx. € 80 per month.

Bank Account

We recommend that students open a German bank account to make payments such as the rent and the semester contribution fee easy. A bank account for students is usually free of charge.
