Description of activities,tasks	Basically, the candidate should support the lesson of the English language teachers and interact with the students , so that they can use English as much as possible. He/she could prepare teaching materials or help the teachers preparing them, for example creating CLIL. Moreover, as our school offers our students a lot of extra-curricular activities, the candidate could get involved in them. He/she could also take part into the multilateral Comenius project „ICTEAM” ,which will close on June 2015. He/she could be a significant „cultural resource” for the students and the students should be very interested to know and learn

	about his/her home country.
