

## Search for medical specialists

Database for your individual research: <https://www.kvwl.de/earzt/index.htm>

Via this link you can search for medical specialist. You can filter your search according to place, field and many different languages. Contacts and opening hours will be given.

Translation help for your individual search:

Standort = city

Fachgebiet/ Schwerpunkt = field/ core area

Common core areas	
German	English
Allgemeinmedizin	General medicine
Innere Medizin	Internal medicine
Kinder- und Jugendmedizin	Paediatrics
Frauenheilkunde und Geburtshilfe	Gynaecology
Haut- und Geschlechtskrankheiten	Dermatology
Mund-, Kiefer- und Gesichtschirurgie	Dentistry
Augenheilkunde	Ophthalmology
Hals-, Nasen-, Ohrenarzt	Otolaryngology
Orthopädie	Orthopaedics

We recommend to contact the practices in advance (via phone). In urgent cases you can go to the required doctor without an appointment. Please do not forget to bring the proof of your health insurance/ your health insurance card with you.

In case you urgently need to visit a doctor outside the surgery hours, you can find the contacts of the emergency service here:
